

LG ARTCOOL Gallery LCD

The LG ARTCOOL Gallery LCD air conditioner combines elegant design with smart performance. Featuring a 27-inch Full HD LCD screen, it allows users to display personal images or digital artwork while delivering advanced cooling and heating efficiency through LG's Dual Inverter Compressor™ technology.

Key Features

• Dual Inverter Compressor™	• 27" Full HD LCD Display
• Art Screen with 50 preloaded images	• Customizable user image upload via smartphone
• AI Energy Optimization	• 3D Airflow (3 directions)
• Plasmaster™ Ionizer	• Wi-Fi Smart Control via LG ThinQ App
• R32 Eco-friendly refrigerant	• 10-year Dual Inverter Compressor warranty

Technical Data

Capacity	9K BTU	12K BTU
Model (Indoor/Outdoor)	A09GA2.NSE / A09GA2.U18	A12GA2.NSE / A12GA2.U18
Cooling (kW)	0.82 / 2.6 / 3.70	0.89 / 3.70 / 4.04
Power Consumption (W)	600	1020
Energy Label	A++ / A+	A++ / A+
Refrigerant	R32	R32
Indoor Noise Level (dB)	29/35/42	29/36/42
Outdoor Noise Level (dB)	49	52
Dimensions (Indoor, mm)	770×545×128	770×545×128
Compressor Warranty	10 Years	10 Years
